**ALL OF YOUR PROPERTY AND INVESTMENT ANSWERS UNDER THE ONE ROOF AT
PROPERTY AND INVESTMENT EXPOS**

With the Australian financial, property and investment markets in a state of change, the Property and Investment Expos in Perth are the key destination for investors and property buyers looking for answers to their property and investment questions.

Taking place at the conveniently located Perth Convention & Exhibition Centre, 17-18 May 2008, the Property & Investment Expos are the leading shows in Australia on wealth building and property.

The Investment Expo's free seminar program will include specific sessions on superannuation, from self-management to retirement income streams, and advice on the share market from Australia's leading knowledge bodies.

The Property Expo also promises to be a must-attend event, with industry experts providing advice on everything from the top suburbs for investment and growth forecasts, to property management and the steps to buying a first home.

"With the property and investment markets in Perth changing and growing at a rapid pace, the Expos present the perfect opportunity for visitors to find out about the latest developments in the market, with access to exhibitors from a wide range of practices across the industry," said Jon Perry, Exhibition Director, Property and Investment Expos.

Entry costs cover entry to the Property and Investment Expos, as well as the **Franchise & Business Opportunities Expo**, the largest and longest running exhibition in the franchise industry.
